

# Tiny Tin Troops Magnetic Bases

All bases are made from 2mm MDF backed with magnetic sheet. Total thickness is about 3mm.  
 All prices include postage so what you see is what you pay. All magnetic products are sent Airmail.  
 All packs now contain as many bases as I can fit into a package of the weight given, this means that you will get the best value for the postage I have to pay to get them to you.  
 If you intend to order more than a couple of packs or want a mixture of sizes in quantities less than the packs below then use our Custom Bases Service to order exactly the quantities you want (subject to a minimum order of £10 before shipping). E-mail us your exact requirements and we will return a quote including postage.

Base Size	Small packs (Europe only) 100g		Medium packs (Europe only) 250g		Large packs (Europe only) 500g

Can't see what you need listed here ?

Why not try our Custom Base service. Any size bases from 20x20 to 160x160mm and any combination or pack size (subject to a minimum order of £10, excluding shipping). Prices are similar to those listed above and are quoted inclusive of postage. We can often quote you the same day.  
 Use the enquiry form on the website, email enquiry@tinytintroops.co.uk or phone 01695 577700

**Magnetic Sheets (self-adhesive 0.8mm thick) : Europe prices**

	2 sheets	4 sh	6 sh	8 sh	10 sh	12sh
250x175mm	£8.70	£13.50	£18.50			£31.00
295x205mm	£10.00	£15.70			£33.70	
335x205mm	£10.80	£18.50		£31.40		

Can be used to line file boxes if you base your figures on metal bases or to make your own bases magnetic. These are heavy grade sheets with more pull than the thinner standard grade, exactly the same sheets we use to make our own bases - would we offer you less than we use ourselves !!!

**Ferrosheet Sheets (self-adhesive 0.8mm thick) : Europe prices**

	2 sheets	4 sh	6 sh	8 sh	10 sh	12sh
250x175mm	£7.80	£11.50	£15.50			£26.80
295x205mm	£8.20	£12.20			£28.00	
335x205mm	£8.80	£15.40		£24.80		

Can be used to line file boxes if you base your figures on magnets or magnetic bases. These are heavy grade sheets with more 'hold' than Flex-o-metal.

**Flex-o-Metal Sheets (self-adhesive 0.5mm thick) : Europe prices**

	2 sheets	4 sh	6 sh	8 sh	10 sh	12sh
250x175mm	£6.70	£10.60	£14.20			£24.30

Can be used to line file boxes if you base your figures on magnets or magnetic bases. These are 40% lighter than Ferrosheet but with a bit less 'hold'. This is the product we have been selling for quite a few years.

The extra weight of Ferrosheet compared to Flex-o-Metal makes a large difference in price to customers outside the UK. If any of my European customers want the new sizes in the lighter Flex-o-Metal then please e-mail me and I'll quote some prices as a Custom order. I have limited stock and, unless demand is strong to continue selling Flex-o-Metal, I won't be re-stocking once what I have is used.

Bases and sheets can be ordered on-line from [www.tinytintroops.co.uk](http://www.tinytintroops.co.uk)

All prices shown include shipping.

For orders over about £60 please send us your requirements by e-mail, we can probably do a better deal for you as a custom order.
